

DATSUN SPORTS CAR

DATSUN combines performance, beauty and finished workmanship — never before available in a true Sports Car . . . *at such a low price!* Get ready for surprises as soon as you slip into its comfortable, form-fitting, bucket seats. Look over its attractive cockpit and easy to read instrument panel . . . take notice of its functional, attractive floor console. Grab on to the racing-type steering wheel and get ready to experience a new type of sports car driving. You'll know from the first *go around* it's powered for sport. Its powerful engine, dual carburetors, and 4-speed transmission will *red line* the tachometer almost immediately.

THE QUALITY-MINDED LINE for ECONOMY-MINDED PEOPLE

SPORTS CAR GRAPHIC MAGAZINE says in a recent test — "Detail work throughout the entire car is simple but neat. Fit and finish are above average. In total, the DATSUN is well-made and should prove reliable and rugged in service. Most impressive, it is a car without any basic mistakes to hamper its value or potential. We feel the DATSUN at its present rate of development, is destined to carve an impressive slice of the sports car market."
